e
copyright transfer covers the right to electronically store, reproduce, and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form, or any other reproductions of similar nature.

The Author is permitted to make an electronic version of this article available on the Author's institutional repository prior to its publication in IJEIT (pre-print). However, in the interest of the scientific publication process, the Author agrees to replace the pre-print by a pdf version of the final published version of the article and state the complete bibliographical reference (*volume, issue and page number*).

The Author warrants that this contribution is original and has not been submitted or published in any other publication in a similar form and that he has full power to make this grant. The Author declares that all co-authors of this article have been informed of the submission. The Author signs for and accepts responsibility for releasing this material on behalf of any and all Co-authors.
